

Assisteens[®]
New Member Application Process
2009-2010
PLEASE READ CAREFULLY

Incoming freshmen may apply for Assisteens membership.

Participation from across the community is encouraged.

Applications will be distributed at the regular Assistance League[®] of Tucson meetings in February and March as well as the Assisteens regular monthly meetings in February and March. Applications will also be available in the Thrift Shop during regular shop hours.

Prospective new members will complete the application and submit a \$50 check for dues made out to Assistance League of Tucson. The completed application and check will be mailed to the Assistance League building to the attention of the Assisteens Coordinator.

A completed application includes Membership Application Form, Requirements Acknowledgement Form and Consent Form. These forms will contain prospective new member as well as parent signatures. A completed application also includes a check for dues.

Applications will be due on or before APRIL 6, 2009.

All applications will be mailed and will be received at Assistance League, 1307 N. Alvernon Way, Tucson, AZ 85712.

Sealed applications will be drawn at random, one at a time. The application will be opened and reviewed to insure that the forms are complete and the check for dues is enclosed. If the application is complete, the applicant will become a new member of Assisteens. This process will be followed for each applicant until 22 completed applications have been drawn.

As soon as possible, new members will be contacted to welcome them into Assisteens. Those applicants not accepted will also be contacted by letter explaining the process and the need to cap new members at 22. Their check for dues along with the submitted application will be returned.
